2025 PAPA Asphalt Pavement Quality Awards

- Thank you to PennDOT District and PA Turnpike Staff for partnering with PAPA and judging and submitting winning projects!
- These awards not only promote our industry but highlight our goal of providing the most cost efficient, smooth, quiet, safe, resilient, and performing highway pavements!
- We continue to strive to make asphalt pavements last longer and become even more sustainable!

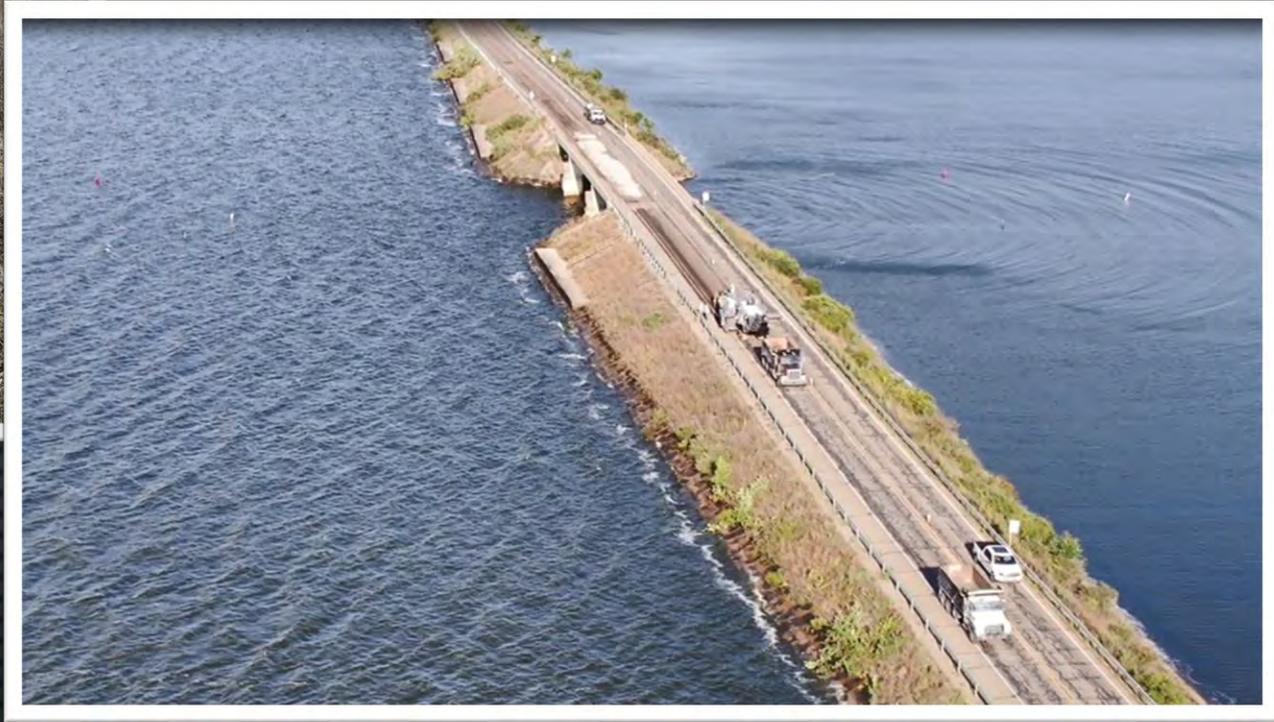

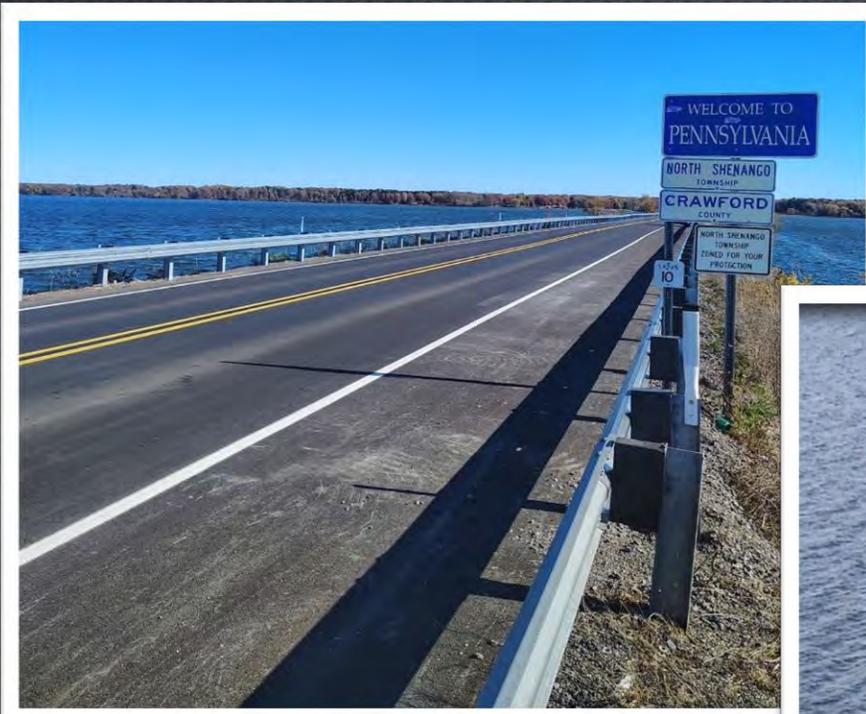

Judging Criteria

Congratulations 2025 Award Recipients!

Quality in a service or product is not what you put into it. It is what the client or customer gets out of it.
